

# CLIMATE COLLABORATION: EMPOWERING YOUTH-ADULT LEADERSHIP

JAN. 13, 2026 @ 4 - 5 PM EASTERN TIME

Thinking about hosting a youth climate summit? Looking to level up your student action project? Join the Youth Climate Institute and the Wild Center for tips and tricks on partnering for youth climate action.

The **Youth Climate Institute** is an extracurricular, chapter-based program that provides **national certification** to high school students taking action against the climate crisis.

# THE WILD CENTER

The **Wild Center** is a Science Center & Natural History Museum located in Upstate NY. Our global **Youth Climate Summit Network** empowers teens to take informed climate action grounded in science, hope & solutions.

**DOOR PRIZES!**

The Youth Climate Institute is a Program of

Howard County Conservancy  
connecting people to nature
