

TRIBUTARIES OF LIFE: A WATERSHED INQUIRY

Offered in a partnership between Oregon State University and NorthBay Education Inc.

This course enables 6-12th grade teachers to reach numerous common core and NGSS standards; valuable for STEAM teachers. Teachers from all academic disciplines will increase their freshwater ecology knowledge and learn how to facilitate student-directed watershed inquiry with NorthBay's renowned watershed field course — made available in an online format.

What You'll Need

- Reliable internet
- Access to a non-tidal stream or wadeable river
- A journal
- Curiosity

Two Sessions Offered *(choose one)*

- March 4 – April 14, 2019
- May 6 – June 16, 2019

- \$435 (+ \$60 registration fee)
- 6 weeks
- 45 hours/16 PDUs
